Christopher Academy

2009-2010
Annual Giving
Campaign

Investing in your child's future
begins now.

Be a part of an education
you can depend on.

What is the Annual Giving Campaign?

The most important contribution you can make to Christopher Academy each year.

An integral part of the school's operating budget.

Why support it?

Tuition and fees do not cover all costs of your child's education.

The annual fund makes up that difference and allows us to continue to provide your child with rich educational experiences.

Your gifts also help to maintain our cherished school traditions.

Donations to the annual giving campaign are made in addition to all major PTO fundraisers (Golf Tournament, Auction, etc.).

These fundraisers combined with

2009-2010 Annual Fund Goals

Raise \$30,000

70% parent participation from each grade level

100% faculty and board participation

Christopher Academy is able to continue fostering a love of learning because of YOU. It is the way we work together as a team...students, teachers, parents, alumni, and friends...that makes Christopher Academy so special. We respect each individual, we value hard work, we honor our traditions, and we embrace new experiences.

Your Support Makes a Difference... AND ITS TAX DEDUCTIBLE!

Christopher Academy, a 501(c)(3) school, accredited by VAIS, is in a period of exciting growth. In the last four years we have added 4th and 5th grades. Our Board of Trustees is actively searching for property on which we can build our own school. As we continue to grow, we are committed to keeping our tuition rates affordable for our families. Your tax deductible gift helps supplement the revenue from tuition so that we can maintain our high standards and move forward toward our long range goals.

Remember that no gift is too small. With your support, Christopher Academy will continue to provide every student with a foundation for learning and for life.

As we begin our 39th year, help us continue our rich legacy of educational excellence by supporting our annual fund.
